I William Prince of the Town of Flushing County of Queens & State of New York having some time in the year 1819 or 1820 received from my son William Robert Prince in part payment for sundry amounts I had loaned to him and debts I had assumed and paid for him at different times - a number of Deeds of land which he had purchased lying & being in one or more of the western States commonly called Soldiers rights of land and which deeds I have held as mine from that time & have from time to time requested him to write to the land agent & remit for me the taxes on the same to prevent the same becoming forfeited & sold for said taxes & being about making my Will I have returned the said deeds to him to examine & not having them at hand can not designate them & not wishing to note them in my Will I hereby make over to the said William Robert Prince all my right in the said Deeds and empower him to act with the same as if they had always been his in witness whereof I have hereunto set my hand and seal this nineteenth day of March in the year of our Lord One Thousand eight hundred & thirty two —
